PROFESSOR MICHAEL WILDT (Berlin)

will give a paper on

*Volksgemeinschaft* as Self-Empowerment:  
The Current Debate on Society in Nazi Germany

at the German Historical Institute, Seminar Room  
on Tuesday, 1 December 2009, at 5.00 p.m.

Michael Wildt's works on the *Reichssicherheitshauptamt* and on violence and society in the Nazi regime have established him as one of the leading historians in the field. His name is closely associated with the intensely discussed concept of *Volksgemeinschaft*. In addition to the Nazi regime, he is also interested in the impact of the consumer society on twentieth-century Germany. His publications include *Generation des Unbedingten: Das Führungskorps des Reichssicherheitshauptamtes* (2002); *Volksgemeinschaft als Selbstermächtigung* (2007); and *Geschichte des Nationalsozialismus* (2008).
